SFSJUS Sports**Saints Basketball**

Our school basketball team, the Saints, have been doing great. Their record is 6-0, which is good compared to last year. The coaches, Joe Gargaro and Alex Wiggin, are teaching the team loads. One of the basketball players, Joe, said, "We're good." Keep it up, Saints! *-Pison*

NHL Update**The State of Hockey**

Here is the NHL update. Steve Stamkos leads the league in goals and Henrik Sedin leads the league in assists. The Philadelphia Flyers lead the league in points. We are in 17th place, with a record of 24-18-5. We are in third place in our division, however, it is very close between the teams. At least the Wild aren't doing as bad as the New Jersey Devils. We need a lot of work to make the Play Offs. *-Bobby*

MN Sports**Gopher's Basketball**

The Gophers are having a great season so far. Going into Conference play, we had hope that we would keep going on a hot streak, but sadly the Gophers fell down in the standings with a 1-3 record in the Big Ten.

Minnesota hosted Purdue on January 13. Purdue was ranked number 8 in the country at the time and we were ranked number 25. Our history against Purdue hasn't been so great in the past decade, but we proved ourselves a good team. We defeated Purdue 70 to 67. Blake Hoffarber had 26 points and led the Gophers to a close win. Hoffarber was interviewed after the game and said, "We still have hope for this team and contending in the Big Ten."

Just when everything seemed going in our direction, Al Nolen suffered a season ending foot injury. Hoffarber will now have to play point guard.

The Gophers are still fighting for a Big Ten Championship, and are going to have to depend on what a newspaper guy called "Blake and the big guys." *-Joe*

Firework

Katy Perry's song "Firework" is a great song! It tells you to be yourself, and don't let anyone stop you from being yourself. It has a great beat and it is fun to dance to! We recommend listening to it. We give it four out of five stars. It's a fantastic song! -Hannah and Marissa

Editor's Note:

We apologize to our devoted readers who spent hours looking for Waldo's hat in the December issue. Somewhere between editing and printing, it fell off the page. Hats off to you for looking!
